## WILL GOVERNOR STOP THE FIGHT?

Promoters Say He Will Not, And Explain About Reports.

East Las Vegas, N. M., June 19.—Promoters of the Johnson-Flynn fight and followers in the two camps are hot in denial of both the report that governor McDonald will stop the fight, and of Tommy Ryan's knock on Flynn's condition. It is declared that Flynn was never better, and that he is only five pounds over weight at this early date.

As to the political side, it is said that knockers started the story about the governor, and that the governor has no intention to stop the fight since it is not in his power to do so. Jack Curley, chief promoter, last night discredited the report that the governor would take action in the matter.

All that Curley said in explanation was that the reports had been circu-

lated by disgruntled persons who had not received complimentary tickets to the contest July 4.

So far governor McDonald has not issued any statement in the matter. He is at Belen, N. M.

El Paso promoters, eager to secure the Johnson-Flynn battle for Ciudad Juarez, have heard nothing definite from Jack Curley regarding overtures made on the part of the concession holders in Juarez. However, it is clear that the matter could be decided at the 11th hour, should it be necessary to quit New Mexico, as the arena at Juarez is already constructed, and all necessary concessions as good as secured from the rebel authorities.

**AUTO CLUB TO MEET.**

A meeting of the El Paso Automobile club will be held at the chamber of commerce Wednesday night at which the Canutillo road project will be discussed. The club is in the midst of a campaign for road funds. H. LaSalle will act as president in the absence from the city of officers of the club.

**RAY SHUTS OUT SONORA.**

Ray, Ariz., June 19.—The Ray ball team shut out the visiting Sonora team on the local grounds in a well played game considering the bad condition of the grounds. The score:

|        |   |          |
|--------|---|----------|
| Ray    | 0 | R. H. E. |
| Sonora | 0 | 2 4 1    |

Batteries: Ray, LaSalle and Lane; Sonora, Salazar and Huerta.

## Big Boys Pitch For Chicago Sox

The measurements of the Chicago Americans' pitchers show the average size to be greater probably than that of any other club in the major league. It is doubtful if any other club can show a taller assemblage of slammers than that exhibited by president Comiskey, of the White Sox in 1912.

Here are the White Sox pitchers and their measurements, showing them to be a team of physical giants.

Ed Walsh—Height, 6 feet 11 inches; weight 193 pounds, heaviest fungo hitter in baseball and one of the greatest speed merchants in the game.

Jimmy Scott—Height, 6 feet 11-1/2 inches; weight, 187 pounds.

Joe Ball—Height, 6 feet 11-1/2 inches; weight, 196 pounds. One of the strongest ball players in the major leagues.

Rube Peters—Height, 6 feet; weight, 185 pounds.

George Mogridge—Height, 6 feet 11 inches; weight, 178 pounds.

Duo White—Height, 6 feet; weight, 160 pounds.

Frank Lange—Height, 5 feet 10 inches; weight, 185 pounds.

## RALLY IN NINTH WINS FOR PECOS

Hot Three Game Series with Midland For West Texas Honors.

Pecos, Tex., June 19.—In play for the championship of west Texas, Pecos turned the tables on Midland yesterday defeating the visitors in a ninth inning rally after two men were out and the score 2 to 1 in Midland's favor. Two men were sent to first by balls by Midland, and a hit to right field brought in two men for Pecos, winning 2 to 1. The deciding game will be played today. Each team claims the championship of west Texas. Tuesday's game was won by the visitors.

**WORLD'S RECORD MADE.**

Paris, France, June 19.—A world's record for altitude for dirigible balloons was made yesterday by the scout dirigible Conte, an airship belonging to the French army which attained a height of 9225 feet.

## King Rube Marquard, Czar of All the Pitchers of Baseball

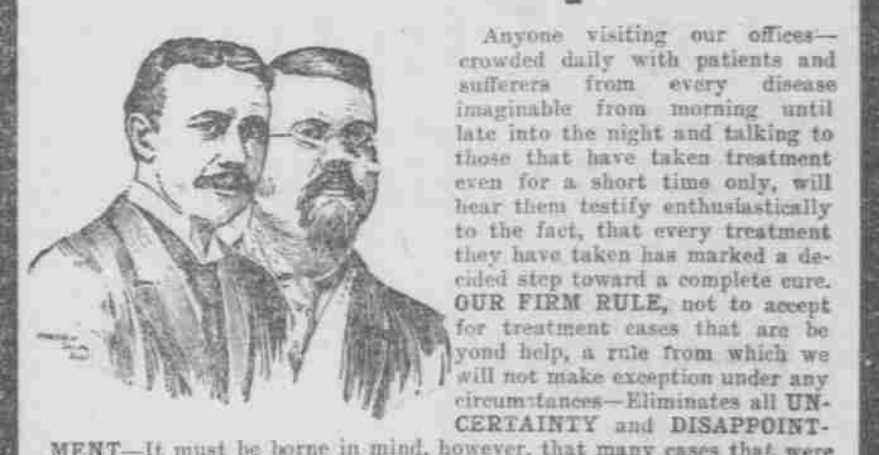

Rube Marquard has won his 13th straight game for the New York Giants and New York is bobbing its cap to him and using his full, grand title, Mister Richard de Marquis. The Chicago Cubs fought hard against his annexation of the 13th count, but Rube survived the ordeal with his resplendent laurels unscathed. Although New York does not remember when Rube lost a game, and is absolutely certain that he is never going to lose another, time was when he was best known as the lemon of the Giants' pitching staff. A couple of years ago the New York bleachers would groan when Marquard entered the box and the opposing team would smile—and Rube would blow up. But today he seems to be due for a seat on that exalted pedestal where hero worshipping baseball fans have in turn enthroned Hans Wagner and Ty Cobb. He won't have to go much farther in the direction in which he is now bound, to be hailed as the greatest pitcher of all time.

Jack Herrick has taken up quarters in a Juarez club. Where Howard Morrow will train has not been decided. The middleweight is expected to arrive Wednesday afternoon from Las Vegas in company with his trainer, Tommy Ryan, the man who has just thrown up the sponge in training Jim Flynn for his heavyweight championship battle with Jack Johnson. Herrick has heard definitely from his manager, Harry Gilmore, Jr., that he will be on to see his boy properly finished. Gilmore went to the coast to stage the White-Thomas fight, after putting Herrick here with Jack Mitchell, and on leaving him to the tender mercies of Chappie Homer, Gilmore has ordered Herrick to go in light training until his arrival. Preliminaries for the 20 round middleweight contest will bring on four |           |    |    |
